

IBIS COMMITTEE POLICIES AND PROCEDURES

Ratified ~~May 1, 2015~~TBD

The I/O Buffer Information Specification (IBIS) Committee ~~(, also known as the IBIS Open Forum)~~ (hereinafter "Committee"), is a Formulating Group and Standards and Technology Committee under SAE ~~International~~Industry Technologies Consortia (SAE ITC) or its successors (hereinafter, "Parent Organization").

SCOPE

The IBIS Open Forum develops, supports, and promotes accurate vendor-independent behavioral I/O buffer signal/power integrity model specifications and standards. The IBIS Open Forum also pursues development of specifications and standards in related areas of signal and power integrity modeling and simulation.

BENEFITS

Committee participation is free and open to any interested person. This includes participation in meetings and on-line discussions, and submission of specification change proposals. Only ~~Membership Companies~~Member Organizations have the right to participate in votes.

MEMBERSHIP

Membership is limited to dues-paying ~~Membership Companies~~Member Organizations. All persons ~~affiliated with~~representing a ~~Membership Company~~Member Organization share a single IBIS membership. In the event of the merger of a ~~Membership Company~~Member Organization with a non-~~Membership Company~~employeesMember Organization, representatives of the former non-~~Membership Company~~Member Organization become entitled to participate as part of a ~~Membership Company~~Member Organization. Each ~~Membership Company~~Member Organization shall be organizationally independent of all other ~~Membership Companies~~Member Organizations in order to exercise its vote. Subsidiaries shall not have voting rights in addition to their parent ~~Membership Companies~~Member Organizations.

DUES

Membership extends from January 1 through December 31 of each year. Membership dues shall be collected annually. The amount due per ~~Membership Company~~Member Organization shall be established by a vote of the membership. The membership year, and therefore the voting privileges, for returning (renewing) ~~Membership Companies~~Member Organizations terminates on June 1 or the first weekday following June 1 of the following calendar year, or prior to that date if the returning ~~Membership Company~~Member Organization chooses not to renew its membership, or has undergone a merger with another ~~Membership Company~~Member Organization. Member Organizations joining for the first time after June 15 (or the first weekday following) shall be charged one-half the annual membership dues for that year.

QUORUM

A quorum for a meeting vote shall consist of 25% of ~~Membership Companies~~Member Organizations in good standing, rounded up to the nearest whole number.

VOTING

Only ~~persons~~ designated ~~to represent Membership Companies~~representatives, as determined by the Chair or Acting Chair, of Member Organizations may respond to votes. Only one response per ~~Membership Company~~Member Organization is permitted. Votes may be conducted during meetings, via written responses, or other electronic collaborative method permitted by the Parent Organization. Approval of documents or actions, other than the Parent Organization ballots, removal of officers, or changes to this Policies and Procedures document, requires a simple majority of ~~Membership Company~~Member Organization responses, not counting abstentions.

Commented [ML1]: Could be Treasurer or Chair and Treasurer

All votes regarding specification changes, specification approvals or financial matters conducted during a meeting shall proceed by roll call of ~~Membership Companies~~Member Organizations in attendance.

“Good standing” for ~~Membership Companies~~Member Organizations means that membership dues for the ~~Membership Company~~Member Organization have been received for that membership year. ~~Membership Companies~~Member Organizations need only have paid membership dues for that membership year to be eligible to vote in elections, on specification changes, to approve specifications, or to approve financial expenditures. Eligibility for the Parent Organization ballots shall be defined by the Parent Organization.

Votes to be conducted during meetings that affect specification changes, specification approvals, changes in the starting date for officer nominations, or financial matters shall be announced via the IBIS ~~e-mail~~email reflector at least one week before the meeting where the vote is to take place. ~~Membership Companies~~Member Organizations may submit responses to scheduled votes in writing, including via ~~e-mail~~email, to the Secretary. Proxy votes (votes on behalf of another person or organization) shall not be permitted. Other votes conducted during meetings, including on adjournment or on approval of minutes, may alternatively proceed by acclamation, voice vote, or other method at the discretion of the Chair or Acting Chair.

A vote conducted via written responses shall be announced by the Chair or Acting Chair using the IBIS ~~e-mail~~email reflector or other system established by the ~~IBIS~~ Committee or the Parent Organization. A call for vote conducted via written responses shall include the topic, a list of acceptable responses and a closing date for the votes to be received and the results tallied. The closing date shall not be earlier than 14 days after distribution of the announcement.

Votes on ANSI standards, Parent Organization standards, and related documents from the Parent Organization shall be conducted via ballot or other method designated by the Parent Organization. Votes on such documents shall be conducted according to eligibility rules and procedures established by the Parent Organization, which may deviate from those described in this Document.

Changes to this Policies and Procedures document require approval by at least 2/3 of all ~~Membership Companies~~Member Organizations, rounded up to the nearest whole number.
